Expatriate membership

A unique membership has been created specifically for expatriates , residing in Hong Kong , Macau and China , to join **Palm Island Resort** . Our expatriate membership offers the same benefits and rates as our full members with a choice of either one or two year terms .

The Jack Nicklaus Jr. Golf Course has 27 - hole (three 9 - hole courses) and is opened for play throughout all seasons of the year . The lush Thai décor environment is also a unique aspect of the resort which always offers our members appreciation when they invite guests and clients to the club . Palm Island Resort has also won various industry awards over the years , distinguishing the resort from the competition .

Palm Island Resort is developed and managed by **New World China Land Limited** (HK Stock Exchange # 917) and **Golden Resources Development International Limited** (HK Stock Exchange # 677) , ensuring our members a solid and long term investment .

This offer is only available for limited quota . For further information of our services and facilities, please contact our Sales Team at :
